

Call for Papers

RECPAD is the annual Portuguese Conference on Pattern Recognition, sponsored by APRP (Portuguese Association for Pattern Recognition). It is a **one-day conference** with an invited keynote speaker, and poster sessions along the day.

RECPAD 2020, the 26th Portuguese Conference on Pattern Recognition, organized by the University of Évora, has Hubert P. H. Shum (Durham University, UK) as the invited speaker and will be held **online** on **October 30th, 2020**.

RECPAD aims to promote the collaboration between the Portuguese scientific community in the fields of **Pattern Recognition, Image Analysis and Processing, Soft Computing**, and related areas, including, but not limited to:

- Statistical, structural, syntactic pattern recognition;
- Neural networks, machine learning, data mining;
- Discrete geometry, algebraic, graph-based techniques for pattern recognition;
- Signal analysis, image coding and processing, shape and texture analysis;
- Computer vision, robotics, remote sensing;
- Document processing, text and graphics recognition, digital libraries;
- Speech recognition, music analysis, multimedia systems;
- Natural language analysis, information retrieval;
- Biometrics, biomedical pattern analysis and information systems;
- Special hardware architectures, software packages for pattern recognition.

The papers should be submitted via [EasyChair](https://www.easychair.com/) in pdf format according to the rules described at recpad2020.uevora.pt.

We look forward to your contribution.

Organizing Committee

- Teresa Gonçalves, Universidade de Évora
- Luís Rato, Universidade de Évora
- Pedro Salgueiro, Universidade de Évora
- Miguel Barão, Universidade de Évora
- Eduardo Medeiros, Universidade de Évora

Important Dates

- Submission deadline: ~~September 11~~ September 18 (new deadline)
- Notification: October 2
- Camera ready/Registration deadline: October 9
- RECPAD 2020: October 30
